## FHS CYCLONE 4-CYCLE RACING OILS

### FHS Cyclone-XTC Series!!!

Imagine the power of an eXtreme Tropical Cyclone. FHS developed a totally new oil package which will bring you this power. It will give you the protection you need under high pressures, temperatures and RPM's. It lowers the friction more than any other oil, reducing wear, increasing performance. It comes in 3 weights.

CYCLONE LITE- For stock engines
